DR. BALLARD'S

The Pet Foods of Happy, Healthy Dogs

Gives up to 94% more nourishment

DR. BALLARD'S CHAMPION DOG FOOD—as proved in impartial tests by an independent research laboratory—provides *up to 94% more protein nourishment* than so-called “bargain” brands. This, combined with vitamins, minerals and other vital food elements in a complete, balanced diet prepared by Dr. Ballard's animal nutrition experts, results in better health for dogs of every age and breed.

The Full Course Meal for Meat-Loving Dogs

NEW BURGERBITS gives dogs the meaty flavor and aroma they love, the crunchy texture they enjoy—the total nutrition they need. New Burgerbits is *concentrated*: each pound contains the concentrated goodness of more than half a pound of lean red beef, plus vegetables, whole grain cereals and bone meal. Then it's *expanded*, by a special process—into crunchy bite-size nuggets your dog loves to chew. New Burgerbits stays crisp—even after liquid is added. Never goes sticky or mushy, never sticks to the dish. New Burgerbits—better for your dog than meat alone.

Diet of Champions

KEN•L FOODS provide twice the energy power of lean beefsteak

Ken•L Kibble and Ken•L Meal are *concentrated* nourishment. Ounce for ounce, they provide twice the calories (energy power) of the choicest lean beefsteak. Every meaty bite has the perfect balance of protein, vitamins and minerals to create the peak condition of champions. Since they do so much *more*, you actually need *less*. They're easy too. Mix instantly in water.

Worth noting:

Year after year, 4 out of 5 winners of Canada's major dog shows are raised on Ken•L Foods.
